

# SOUTH NLP SYMPOSIUM 2024

PRESENT, LEARN, AND CONNECT TOGETHER!

The first **South NLP Symposium** marks a significant milestone for the South USA region in Natural Language Processing (NLP). This one-day event is dedicated to bringing together NLP researchers from the Southern United States to create an interactive and collaborative environment, facilitating the exchange of insights and the exploration of their latest discoveries.

**April 5, 2024 (9AM - 6PM)**  
**Emory University, Atlanta GA**

## Keynote Speakers

**Dr. Mohit Bansal**  
Univ. of North Carolina  
at Chapel Hill
